

ORDINANCE NO. 707

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LA MIRADA ADDING A NEW CHAPTER 4.70 TO THE LA MIRADA MUNICIPAL CODE TO CREATE A SIDEWALK VENDING PROGRAM

A. Recitals.

- (i) Senate Bill ("SB") 946 was signed into law on September 17, 2018, and became effective January 1, 2019.
- (ii) SB 946 limits the authority of cities and counties to regulate sidewalk vendors, except in accordance with California Government Code sections 51038 and 51039.
- (iii) The City Council finds that the act of vending on sidewalks and other areas of the public right-of-way also creates the potential for increased safety hazards, such as, but not limited to, inhibiting the ability of disabled individuals and other pedestrians to follow a safe path of travel; interfering with the performance of police, firefighter, and emergency medical personnel services; encouraging pedestrians to cross mid-block or stand in roadways to purchase food; and creating obstacles and contributing to congestion for pedestrian, vehicle, and bicycle traffic.
- (iv) The City Council finds that restrictions on sidewalk vending are needed to accommodate vendors and their equipment, while also safe-guarding the flow of pedestrian movement on sidewalks and in the public right-of-way, and ensuring no interference with the performance of police, firefighter, and emergency medical personnel services.
- (v) The City Council finds that the regulation of vendors engaged in the sale of food and food products will help to ensure that sidewalk vendors obtain all necessary permits and comply with applicable sanitation, food preparation, and food handling laws, and thereby will protect the public health and safety against health problems such as food contamination, poor hygienic practices, and the threat of food poisoning.
- (vi) The City Council finds that regulations related to the collection and disposal of trash or other debris generated by sidewalk vending are necessary to ensure that such trash or debris is not left, thrown, discarded, or deposited on City streets, parks, sidewalks, pathways, gutters, or storm drains, or upon public or private lots, so that the same might be or become a pollutant.
- (vii) The City Council finds that restrictions on sidewalk vending in public parks is necessary to ensure the public's use and enjoyment of natural resources and recreational opportunities, and to prevent an undue concentration of

commercial activity that would unreasonably interfere with the scenic and natural character of these parks.

- (viii) The City Council finds that restrictions on sidewalk vending in residential areas are necessary to ensure that such areas are protected from excessive noise and traffic impacts while allowing economic opportunities for sidewalk vendors.
- (ix) The City Council adopts this Ordinance under the authority provided in SB 946, and finds that the time, place, and manner regulations and requirements provided herein are directly related to the City's purpose of protecting the health, safety, and welfare of its residents, businesses and visitors.
