CONDITIONAL USE PERMIT INSTRUCTIONS

Conditional Use Permits (CUP) are discretionary permits approved or denied by the City's Planning Commission. Decisions are made by the City's Planning Commission after reviewing applications, staff recommendations, and taking testimony from the public during a public hearing in which the applicant or their representative should be in attendance. The Planning Commission meets on the third Thursday of the month.

A CUP is intended for land uses that require special consideration. A CUP can allow a property owner to have a conditioned use in a particular zone. A list of the uses that may be considered by a CUP in a particular zone is located in the City's Zoning Ordinance. The purpose of a CUP is to insure that the use requested would be compatible with other existing and permitted uses located in the area. Such considerations include, but are not limited to: the area/size needed for the use; unusual traffic, noise, or other problems; location requirements; or affect on property values, health, safety and welfare of adjacent properties.

STEPS TO REVIEW

1. Review the La Mirada Zoning Ordinance as it relates to the subject property.
2. Discuss your proposal with the Community Development Department.
3. Obtain a fee schedule, application, instructions and environmental information form.
4. Hold a pre-application meeting with staff to ensure that applications/drawings are sufficient and self-explanatory wherein you will submit completed applications, required drawings and fees.
5. The application will be reviewed to determine completeness and to determine if supplemental reports may be required such as traffic studies, grading reports or hydrology studies. Application forms and supplemental data must be completed in detail before they may be considered.
6. A staff report to the Planning Commission will be prepared including a recommendation. Approval is usually 3 months after application submission.
7. A public hearing date will be scheduled before the Planning Commission.
8. Staff will post, advertise and distribute the public hearing notice as required by law.
9. Staff will send notice to applicant advising of date and time of the public hearing enclosing a copy of staff report and conditions.
10. Applicant or representative should be present at the public hearing.
11. The Planning Commission approves, approves with conditions, or denies applicant's application.
12. There is a 10-day (business days) appeal period for the action to take effect.
13. Within 5 days of the action, City staff shall file a Notice of Determination (NOD) with the County Clerk's office. Applicant should be aware that a check for the \$50 filing fee plus the current Department of Fish and Game Fee (\$1,993 on 01/2009) will be required within 3 days of CUP approval.
14. Any permit or approval not exercised within one year from the date of final approval shall expire and become null and void, unless other provisions establish a different time limit.
15. Uses operating pursuant to an approved CUP that are abandoned for a period of 180 continuous days shall be automatically subject to permit revocation procedures pursuant to the Zoning Code.

Anything completed prior to final approval will be at your own risk. Do not assume that your case has been finally approved until the City officially notifies you of such a decision in writing. Final approval requires favorable action by the Planning Commission and expiration of the appeal period without an appeal being filed. Upon the filing of an Appeal, the final approval shall be subject to City Council action.
